# BCA Programme TED TALK on “New Technologies”

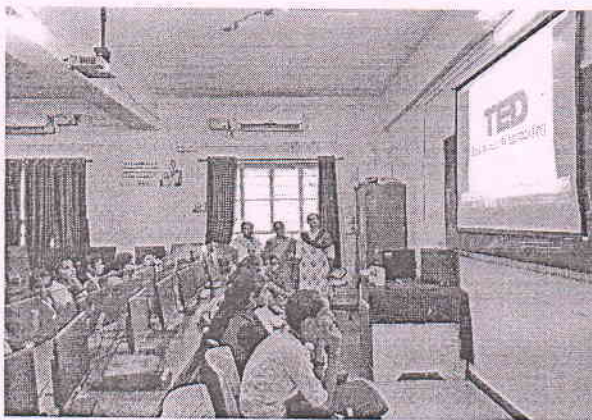

BCA student conducted Ted Talk on catch opportunities on 20<sup>th</sup> July 2019.

Denny Hills explained about 'how wonderful new technologies are' and amazing jumps in technologies make the life easy. He explained from RISC microprocessor technologies to Local Area Networks.

Denny compared human body with the computer programs. Programs works similarly as the nervous system that sends information from brain to foot, in the same way computer programs also sends the instructions to all parts of computer
